

Remarks

Applicants submit herewith a paper copy of the Sequence Listing for the above-identified application. (37 C.F.R. §1.821(c)). Please make a computer readable form for examination of this application from the computer readable form submitted in parent application Serial No. 09/063,276 on September 4, 1998. The sequence content of the computer readable form and the paper copy are believed to be identical. The sequence listing contains no new matter, and only contains material which was previously provided in the specification as filed. (37 C.F.R. §1.821(g,h)). The new sequence listing does not contain updated application and attorney information.

It is my belief that the content of the computer readable form is the same as the paper copy of the Sequence Listing submitted herewith. No new matter relative to the subject application as originally filed is introduced.

It is believed no fee or petition is required to make this a complete and timely filing. However, if a fee or petition is required, please consider this a petition and charge our Deposit Account No. 19-0733.

Respectfully submitted,
